

PRIVACY POLICY FOR PSG Insure Meesterplan

This privacy policy governs your use of the software application PSG Insure Meesterplan (“Application”) for mobile devices that was created by Dreamtec. The Application allows clients of PSG Insure Meesterplan to request roadside and accident assistance. Clients can also submit windscreen claims.

What information does the Application obtain and how is it used?

User Provided Information

The Application obtains the information you provide when you download and register the Application.

We may also use the information you provided us to contact you from time to time to provide you with important information, required notices and marketing promotions.

Information gathered, including, but not limited to photo, about any jobs managed using the application will be distributed to 3rd parties such as Insurance Companies or clients.

Automatically Collected Information

In addition, the Application may collect certain information automatically, including, but not limited to, the type of mobile device you use, your mobile device's unique device ID, the IP address of your mobile device, your mobile operating system, the type of mobile Internet browsers you use, and information about the way you use the Application.

Collected Location Information

We may use GPS technology (or other similar technology) to determine your current location in order to speed up assistance requests. Also when submitting your windscreen claim your location is stamped on the claim.

Do third parties see and/or have access to information obtained by the Application?

Yes. We will share your information with third parties only in the ways that are described in this privacy statement.

We may disclose User Provided and Automatically Collected Information:

- as required by law, such as to comply with a subpoena, or similar legal process;
- when we believe in good faith that disclosure is necessary to protect our rights,

protect your safety or the safety of others, investigate fraud, or respond to a government request;

- with our trusted services providers who work on our behalf, do not have an independent use of the information we disclose to them, and have agreed to adhere to the rules set forth in this privacy statement.
- if Dreamtec is involved in a merger, acquisition, or sale of all or a portion of its assets, you will be notified via email and/or a prominent notice on our Web site of any change in ownership or uses of this information, as well as any choices you may have regarding this information.

Security

We are concerned about safeguarding the confidentiality of your information. We provide physical, electronic, and procedural safeguards to protect information we process and maintain. For example, we limit access to this information to authorized employees and contractors who need to know that information in order to operate, develop or improve our Application. Please be aware that, although we endeavour provide reasonable security for information we process and maintain, no security system can prevent all potential security breaches.

Changes

This Privacy Policy may be updated from time to time for any reason. We will notify you of any changes to our Privacy Policy by posting the new Privacy Policy here and informing you via email or text message. You are advised to consult this Privacy Policy regularly for any changes, as continued use is deemed approval of all changes. You can check the history of this policy by clicking [here](#).

Your Consent

By using the Application, you are consenting to our processing of your information as set forth in this Privacy Policy now and as amended by us.
